Security That Is Evident Since 1964

The Guard Lock is an economical flat metal truck seal with rolled edges for ease of handling; available in both tin-plated and painted steel.

APPLICATIONS

- Rail Cars
- Containers
- Truck/Trailer Door

FEATURES

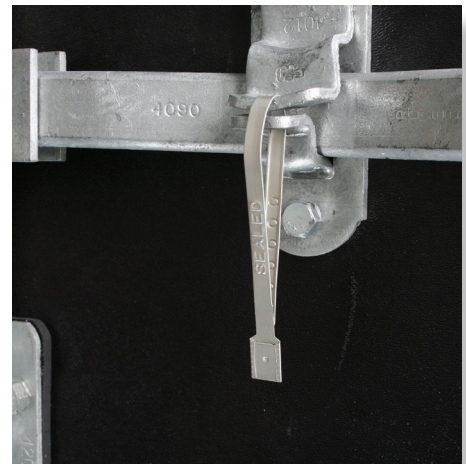

- This economical, flat metal seal features a hook-lock mechanism that locks securely with one simple motion.
- A rugged seal that, once engaged, is easily verifiable for positive closure.
- Safety rolled edge for easy handling.

MATERIAL

- Made of tin-plated steel, optional painted steel
- Measures 8 3/8" x 3/8" (21 cm x 9 mm)
- Ink Jet marking available with two lines of up to 10 characters and 10 digits
- Tensile strength: 100 lbf. (1 kN)
- Removal: cable cutters (model c-7)

MARKING/PRINTING

- Standard: Embossed
- Optional: Inkjet barcoding
- Cold stamped marking with two lines of up to 17 characters and 5-10 digits

Seals shown not actual size.
