

SnapTracker Bolt Seal

The SnapTracker Bolt Seal is a barrier class seal, designed for securing high value cargo. A solid steel bolt provides strength while a molded plastic coating provides tamper-evidence. The SnapTracker is **C-TPAT Compliant and meets the standard for a High Security Seal as outlined in the ISO 17712: 2010 specifications.**

APPLICATIONS

- Trailer Door Latches
- Container Door Latches

FEATURES

- ISO 17712: 2010 classification - High Security.
- Large flag on both the bolt and body allows laser printed information to be easily read.
- Both parts are numbered to prevent fraud by replacement of either bolt or body.
- Parts come attached in a unique package for ease of use and accurate tracking of numbers.
- Interlocking joint to protect against tampering.

MATERIAL

- ABS and Steel

STRENGTH CHARACTERISTICS

- 3000 lbs.

DIMENSIONS
